Application dated 15-9-54 from the President, Boyi's Boys' Hostel, Mysore, to the Chairman, City Improvement Trust Board, Mysore.

I bring to your kind consideration that Bhoyi Jananga is one of the most Backward class among the scheduled castes and the people of this District have come forward to send their boys for education to the hostel, recently started in a rented building at the Mysore City. Now a site for developing the hostel building is needed and I find there are two Watchman quarters on the northern extremity of the Bamboo Bazaar lying waste. That place is suitable and good for running a students' Home. I pray that the above site mentioned may be freely granted to erect a hostel building with the Government aid.

Thannking you very much in anticipation.

MYSORE,

Dated ...3rd..Septr...,... *1956* .

Copy of letter No.7 dated 20-8-1956 from the Secretary, Mysore District Bhovi Jananga Sangha, Mysore.

Subject:- Free grant of site to the Bhovi Jana Sangha for construction of Students' Home.

We are much thankful to you for your reference No.S.G. 180/56-7 dated 4th Aug.56, referring to your letter No.L. 7199/ITB.12-55-92 dated 27-7-56 asking us to furnish the informations as regards the 3 points asked for therein, in reply we write to state:-

1. The estimated cost of the hostel building will be about Rs. 80,000/-.

2. Many of our community people are contractors and they have expressed their genuine willingness to extend their help in the way of constructing the hostel building, some of them by financial way, and some by material supplies and some others by way of constructing the building from their labourers, etc. and in this way, our people have promised to extend their help and cooperation in completing the building for the upliftment of our community people.

3. There are more than 25,000 people of our community in the Mysore District.

2. Further there are more than 100 students studying in Mysore City from primary standard upto college.

3. At present a hostel is being run in a rented house from last three years, and there are about 30 boarders in our hostel. The hostel building which is a rented one, and is not accommodative to admit many more students, who are eager to stay in the hostel. There are more than 500 students in the Mysore District, who are attending the schools, including Primary and middle schools in the District. Some of them are undergoing studies in Technical Institutions.

We have started our above hostel on 12-7-54 and we have also applied for Government grant. The same is awaiting sanction. In the meanwhile, inevitably, we are useing some money out of the donations, for this purpose of maintaining the hostel, till we get the Government grant, which will be re-adjusted afterwards towards the hostel building funds.

As soon as the hostel building is ready, thousands of our children from Mysore District, and even from Mysore State are anxious to stay in our hostel and take up education.

Our community is one of the most backward community in education. Unless Government comes to our aid, we cannot stand at par with other forward communities of the STATE in our education and other aspects. Hence the site prayed for free of cost may be granted to us early.

The plan of the proposed building is enclosed herewith for kind perusal and early sanction of the site.

Thanking you, Sir.

S. Linganna
